Asia defined here is 23 countries and regions eastwards from Pakistan, southwards from Mongolia and westwards from Indonesia. The Fukuoka Asian Art Museum is going to consider the re-definition of the boundary of Asia through exhibitions and expansion of the collection. As to Japanese artists, the Fukuoka Asian Art Museum divides the role with the Fukuoka Art Museum. The works collected for the Fukuoka Asian Art Museum are those resulting from the encounters with other Asian countries.

A detailed map of Asia and its surrounding regions. The map shows the outlines of all countries in the region, with major cities marked by red dots and labeled. The map includes a grid of latitude and longitude lines. In the bottom left corner, there is a scale bar indicating a scale of 1:50,000,000, with a distance of 4 cm. Below the scale bar, it says 'Lambert Azimuthal Equal Area Projection' and 'MAPIO / Copyright©NijiX'. The map also shows the surrounding oceans and seas, and the names of the continents and major islands.
